

Women Inspire and Network in Finance

WIN in Finance @ KIT

Female student presents her master thesis “Green Taste and Mutual Funds in Germany”

We would like to meet and network in an informal setting, discuss this interesting topic and exchange tips for writing a successful thesis while enjoying our lunch break.

Who: Female students enrolled at KIT
When: **Wednesday, January 10, 2024 at 11:45am**
Where: building 09.21 (Blücherstraße 17), room 320
Simply drop by without registration

Hanna Wang

“In her master thesis, she studies the performance and fund flows of green equity mutual funds during the COVID-19 pandemic and the Russia-Ukraine conflict depending on changes in investors’ green taste...”
